When a thousand shouts rose to condemn
And they cried out crucify that man
And my heart can hardly take it in

Bridge 1:

A/C# **D** **E** **F#m**
Then through the dark a blazing brightness
A/C# D E **F#m**

As he arose became our healing

Enthroned on every hallelujah
With scars of grace, with eyes of fire
He holds the stars the first and final
Our Christ the king of love eternal
