### Verse 1:

**Eb**  **Ebsus**  
One for word for the chaos, one for word for the noise  
            **Eb/D**  **Eb/C**  
It's there in the thunder of His voice  
            **Eb**  **Ebsus**  
The sound of His presence, the hope that awaits  
            **Eb/D**  **Eb/C**  
It's there in the whisper of His name

### Chorus:

**Eb**                            **Ebsus**                            **Eb**  
Rule and reign, peace in Jesus name  
            **Fm**  **Eb/G**  
He's breaking through the darkness  
            **Ab**                            **Bb**  
He's taking off the chains  
**Eb**                            **Ebsus**                            **Eb**  
Rule and reign, the power of Jesus name  
            **Fm**  **Eb/G**  
He's tearing down the strongholds  
            **Ab**                            **Bb**  
As we bow down in praise  
            **Fm**                            **Bb**  
So let all else fade away

### Verse 2:

No fear for the future, no doubt in the unknown  
He's there at the centre of it all  
All hail Heaven's champion, our King is on the move  
He's alive and He's fighting for our good

### Bridge:

**Ab**  **Cm**  
The voice that stills the raging storm silences the enemy  
**Eb**  **Bb**  
Kingdoms rise and kingdoms fall but You have all authority  
            **Ab (Fm)**  **Cm**  
There's nothing that can rival, this hope beyond the grave  
            **Eb/Bb (Eb)**  **Bb**  
Oh the cross of Jesus Christ, always has the final say
